PG Department of Commerce has planned to visit the library on 02.09.2024 for the second year post graduate students of Commerce. The group of 24 students was accompanied by Mrs. R. Sudha, Assistant Professor, PG department of Commerce. At 8:30 am all the students assembled at the Ramanathapuram old bus stand, after arrival of rented bus we reached Madurai Kamaraj University at 10:00 a.m. We entered the Ph.D research library with the permission from their library head. The Projects done by the Ph.D scholars in MK University were referred by the students, ideas gathered for our PG Projects and information learnt to float the research. After spending the time browsing the resources, we went out for lunch.

Afternoon we went to PG research library and journal articles library with the supervision of Mrs. R. Sudha . The PG research library had a very good collection of research. It was a very educative time that was spent there. At 5:00 p.m we departed from the MK University Library with great pleasure. On the whole, the visit was a huge success. We were amazed to find such a wonderful reading. It also gave an idea to students about their project topics and profile once they start working. It was very helpful to develop researching ability of the students.
